

Welcome to “Sino-Russian Interdisciplinary Mathematical Conference-2”. Here you can find some useful tips such as accommodation, transfer, exchange, routes, and restaurants information. Enjoy your stay in Moscow!

Accommodation and transfer

Here is the plan of the main building of Moscow State University (MSU), where you will live.

1. Hotel rooms
2. Breakfast
3. Shuttle to Steklov Mathematical Institute (MIAN) and back.

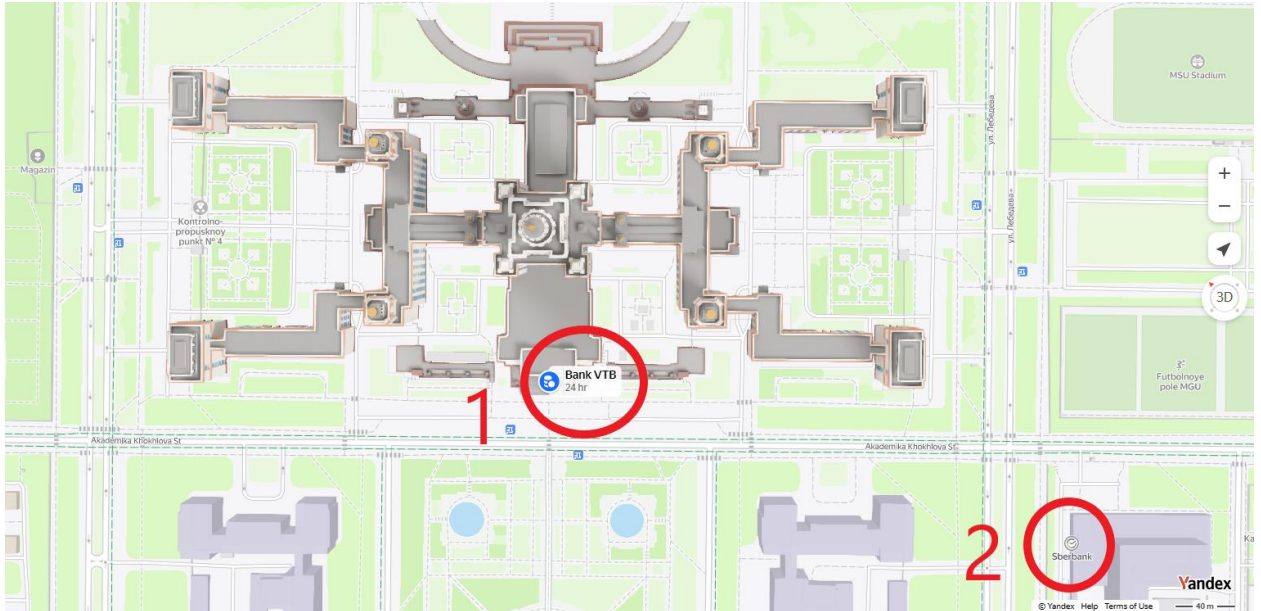

Shuttle schedule

	MSU – MIAN departure	MIAN – MSU departure
25.11	Group meeting time 9:30 - 9:45	Group meeting time 17:30 - 17:45
26.11	Group meeting time 9:30 - 9:45	Group meeting time 20:30 - 20:45
27.11	Group meeting time 9:30 - 9:45	Group meeting time 17:30 - 17:45
29.11	Group meeting time 9:30 - 9:45	Group meeting time 16:30 - 16:45

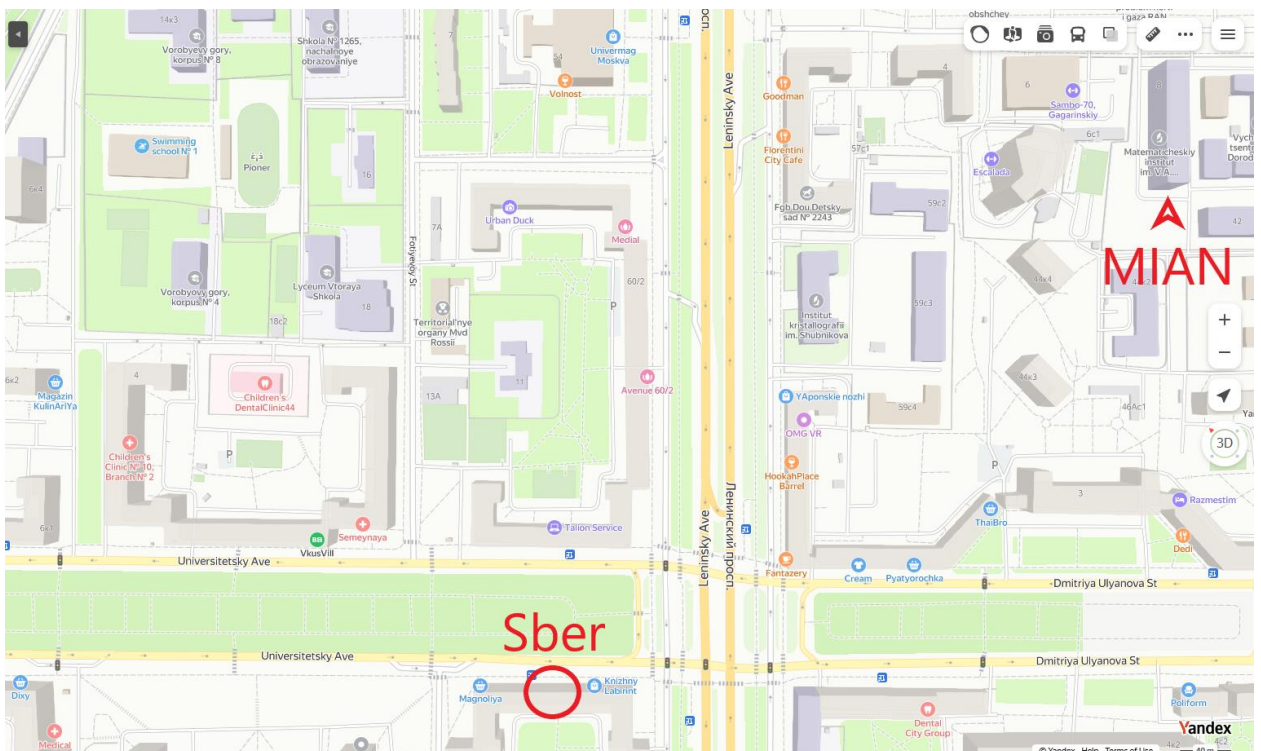

Exchange

You can withdraw cash in Russian roubles from UnionPay card at VTB Bank ATMs. The nearest one to your accommodation is located in the main building MSU (marked with the number 1 on the map). The commission will be 0.5% of the withdrawal amount.

The nearest exchange office to MSU is in the bank “Sber” (marked with the number 2 on the map). Please note that only dollars are accepted here. Working hours: 10:00 – 19:00.

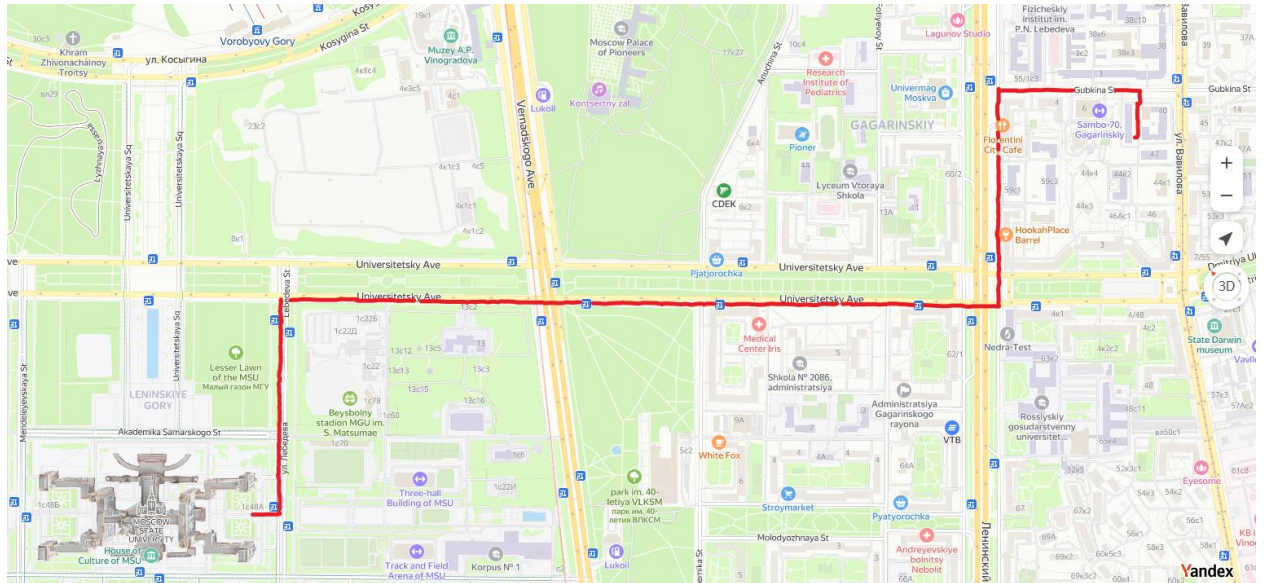

The nearest exchange office to MIAN is in the bank “Sber” (marked on the map below). Please note that only dollars are accepted here. Working hours: 10:00 – 19:30.

Routes

Route from MSU towards MIAN (35 – 40 min by foot)

Step 1

Start your journey from the entrance on Lebedeva Street (улица Лебедева). Turn left onto Lebedeva Street and walk for approximately 200 meters. At the end of Lebedeva Street, turn right onto Universitetsky Ave (Университетский проспект).

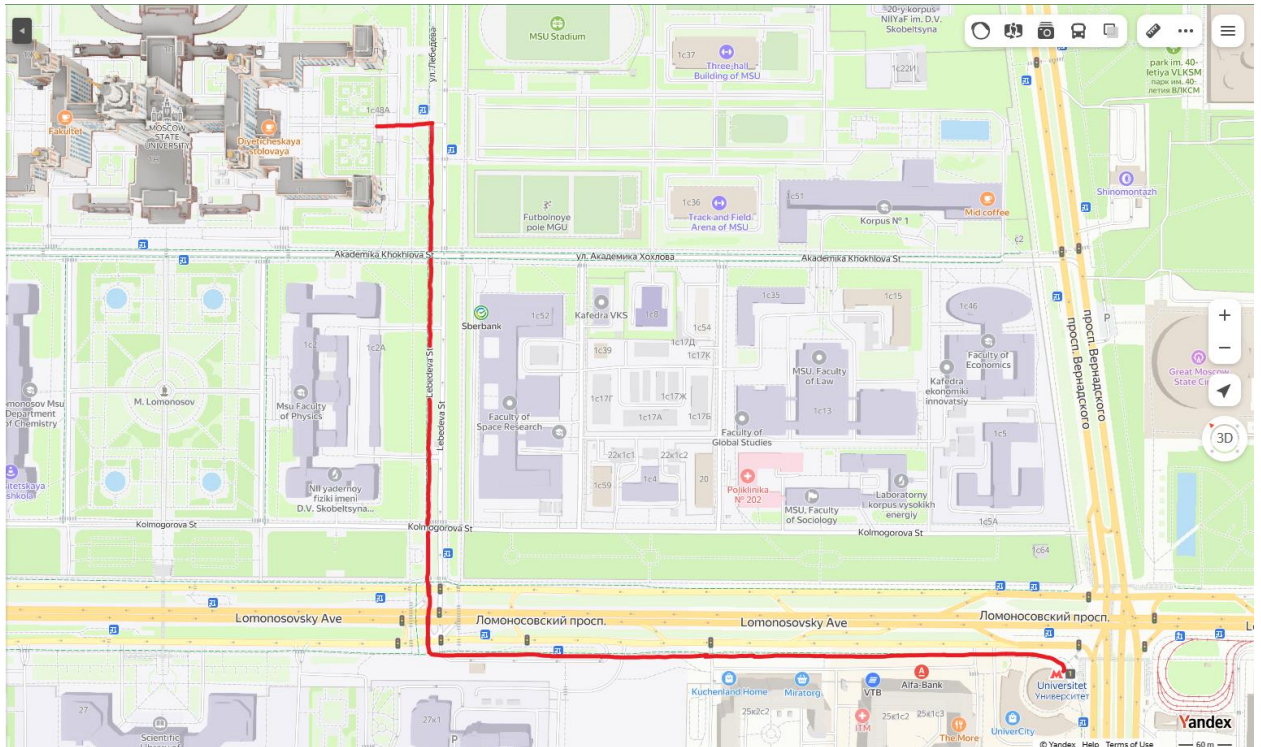

Step 2

Continue walking straight along Universitetsky Ave (Университетский проспект) for about 20 minutes. At the end of this avenue, there is an intersection with the Leninsky Ave (Ленинский проспект). Cross the street, turn left and continue walking along Leninsky Ave.

Step 3

Continue along Leninsky Ave (Ленинский проспект) until you reach the intersection with Gubkina Street (улица Губкина). Turn right onto Gubkina Street. Continue walking for about 100 meters. Steklov Mathematical Institute will be located on your right. Go through the barrier and walk along the building to find the entrance.

Route from MSU towards Universitet Metro station (15 min by foot)

Step 1

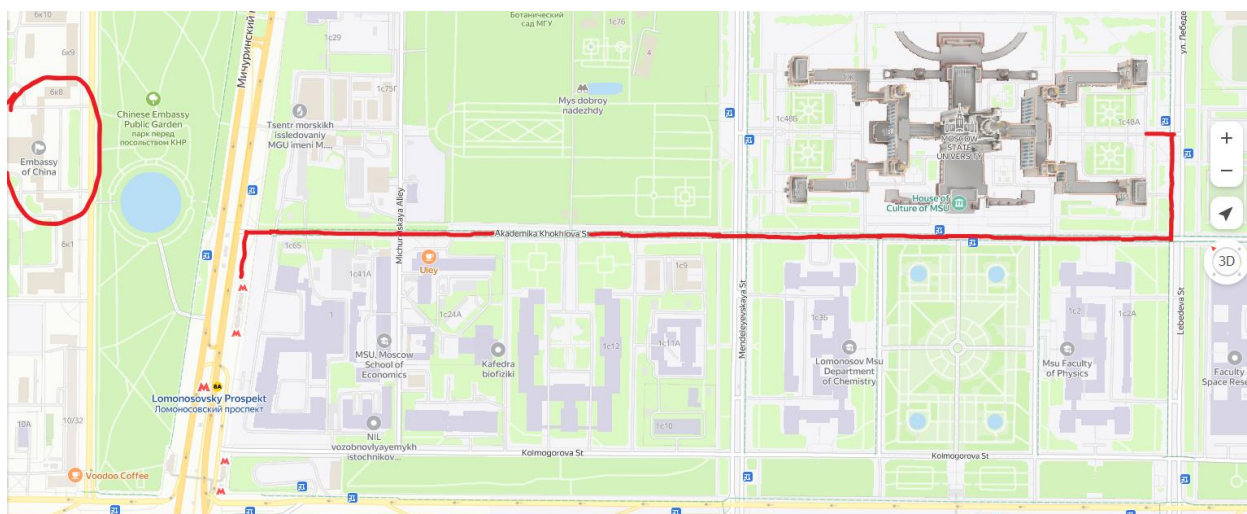

Start your journey from the entrance on Lebedeva Street (улица Лебедева). Turn right onto Lebedeva Street (улица Лебедева) and walk about 200 meters.

Step 2

Go to the intersection with Lomonosovsky Ave (Ломоносовский проспект), cross the road and turn left onto Lomonosovsky Ave. Continue walking along the avenue for approximately 500 meters until you reach the Universitet (Университет) metro station.

Route from MSU towards Lomonosovsky Prospekt Metro station (15 min by foot)

For your information we have also marked the China Embassy on the map.

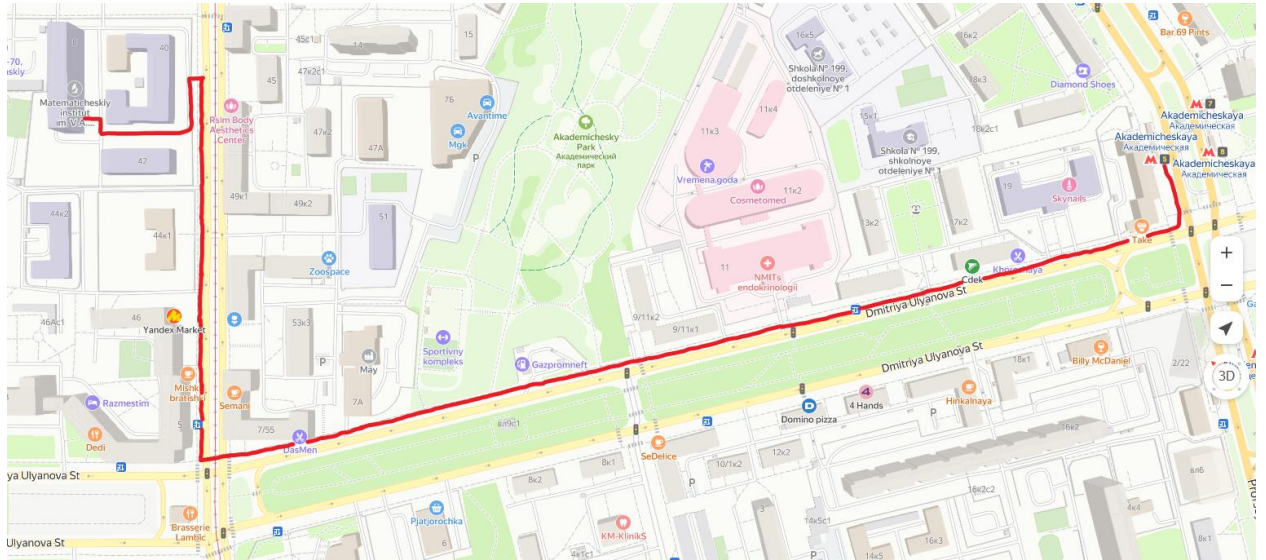

Step 1

Start your journey from the entrance on Lebedeva Street (улица Лебедева). Turn right onto this street and walk about 20 meters.

Step 2

Go to the intersection with Akademika Khokhlova street (улица Академика Хохлова), turn right onto Akademika Khokhlova street. Continue walking along the street for approximately 500 meters until you reach the intersection with Michurinsky Ave (Мичуринский проспект). Turn left and walk about 5 meters to the entrance of Lomonosovsky Prospekt (Ломоносовский проспект) metro station.

Route from MIAN towards Akademicheskaya Metro station (15 min by foot)

Step 1

Exit the MIAN building and walk around to the front of the standing building. Go through the gate onto Vavilova Street (Улица Вавилова). Continue straight along Vavilova Street for about 400 meters. When you reach the intersection with Dmitriya Ulyanova Street (улица Дмитрия Ульянова), turn left and cross the road.

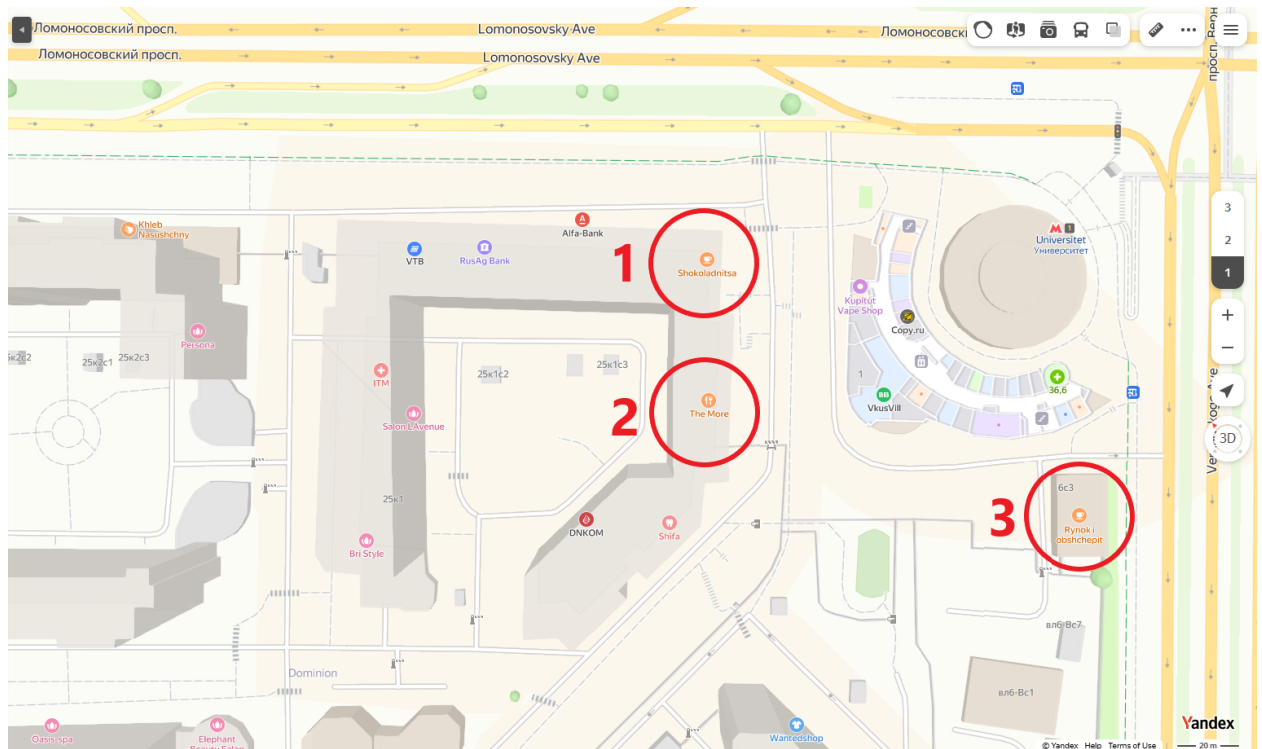

Step 2

Walk straight along Dmitriya Ulyanova Street for approximately 850 meters. Near the sushi-bar “Take” turn left and you will see the entrance to Akademicheskaya (метро Академическая) metro station.

Restaurants

Nearby **Universitet metro station**, you can find several restaurants. Unfortunately, there may be problems with the UnionPay card in these establishments, so it is strongly recommended to have cash with you.

1. Schokoladnitsa (Шоколадница). Cozy coffee shop with European and Russian cuisine. Mid-price range, well suited for a regular dinner after the conference.
2. The More (The Mope). A fish and wine restaurant with a beautiful interior and a pleasant atmosphere. The price tag is slightly above mid-price.
3. Shuk (Шук). A street-style cafe. Mediterranean and European cuisine, youth decoration and the atmosphere of the Jewish market. Mid-price range.

Nearby **Steklov Mathematical Institute (MIAN)**, you can find several restaurants. Unfortunately, there may be problems with the UnionPay card in these establishments, so it is strongly recommended to have cash with you.

1. Goodman. A classic meat restaurant specializing in steaks. The price tag is slightly above mid-price.
2. Florentini City Café (Флорентини). A classic Italian restaurant. The price tag is slightly above mid-price.
3. Fantazery (Фантазеры) A youth bistro of European cuisine with a cozy interior and delicious desserts. The mid-price range.
4. Dedi (Деди) Restaurant of homemade Georgian cuisine. The price tag is slightly above mid-price.
5. Brasserie Lambic (Брассерия Ламбик) Beer restaurant of Belgian cuisine. The price tag is slightly above mid-price.
