

Dear Colleagues,

we are pleased to inform you that the international conference “Integrability” dedicated to the 75th Anniversary of A. K. Pogrebkov will be held on 22-24 September 2021 in Steklov Mathematical Institute of Russian Academy of Sciences, Moscow. The conference topics include various aspects of the theory of integrable systems and its applications to mathematics and physics. The conference will be held online in Zoom.

It is our pleasure to invite you to participate in this conference. Please, register at the conference website

http://www.mathnet.ru/php/conference.phtml?confid=1949&option_lang=eng

Please note that all reports are invited. Contact the organizing committee pogrebkov75@mi-ras.ru

if you want to give a talk.

If you have any questions about the conference, please do not hesitate to contact us

pogrebkov75@mi-ras.ru

With best regards,

N.A. Slavnov

M.A. Vasiliev

A.V. Zotov

M.G. Matushko

I.A. Sechin
