

**International Conference "Mathematical Theory of Optimal Control"
dedicated to the 90th birthday of Academician R. V. Gamkrelidze**

June 01–02, 2017, Steklov Mathematical Institute of RAS, Moscow, Russia

Conference themes. Mathematical theory of optimal control and beyond.

Conference format. The conference program will include invited plenary talks and a poster session (open call).

Working languages. Russian and English.

Conference venue. Conference meetings will take place at the Steklov Mathematical Institute of RAS (Gubkina str., 8, Moscow).

Registration & Abstract submission. The deadline for registration of participants is March 31. If you have not attached an abstract of your talk to the registration form, you can send it to the conference e-mail: gamk90@mi.ras.ru till March 31. The authors are advised to use a special [template for abstract submission](#). It is recommended to submit abstracts limited to three pages. The Program Committee will make a decision on accepting the talks and posters by the end of April. The Book of Abstracts will be published in printed and electronic (on the conference site) forms.

Visa. Citizens of other countries may need a visa to visit the Russian Federation. You can obtain information on visa requirements on the sites of the Russian Ministry of Foreign Affairs and Russian consulate in your country. The Organizing Committee provides visa support for all participants upon their request.
